

# The Pre-Plumbed Baptistry

Why pay a plumber \$1400.00\* to install your Baptistry Plumbing System. Have your Baptistry arrive with the PBH Heater, E-Z Fill, Drain Holes Cut, Window and Operation Controls Installed. The only thing that you will need to do is connect the water line, attach the drain, and install power to the heater.

Typical Installation shown, may vary by baptistry model.

Typical Installation—Portable Baptistry

All Fittings  
Leak Tested!

Non-Portable E-Z Fill System

Triple Seal Window Installed

*With over 40 Years of experience. The Pre-Plumbed Baptistry is another innovation that Piedmont Fiberglass has been an industry leader in.*
